A Step Ahead Physical Therapy is dedicated to providing the best possible care for you in a warm, comfortable environment. All services are provided by a licensed physical therapist.

By signing below I acknowledge and consent to the following, where applicable:

- 1. MEDICAL CONSENT:** I authorize A Step Ahead Physical Therapy to perform physical therapy assessment and treatment which will be discussed with my therapist.
- 2. PAYMENT FOR SERVICES:** I understand that payment is expected at the time of service for all services and I am fully responsible for all fees that are not covered by my insurance except those prohibited by the insurance carrier if we are in network. Out of network insurance will be billed at full rate and any reductions taken by my insurance company are my responsibility. Insurance will be filed for services rendered as directed by me. Co-pays or co-insurance are expected at the time of service. I will be billed for any portion that my insurance company does not cover if out of network.
- 3. MEDICAL INSURANCE BENEFITS:** A Step Ahead Physical Therapy will verify my insurance coverage prior to service and filing claims. Based on this information, A Step Ahead Physical Therapy will estimate the portion of charges for which I should be responsible, taking into consideration coordination of benefits should I have coverage under multiple insurance policies. A Step Ahead Physical Therapy is not responsible for any incorrect information my carrier has relayed to them. There are *no guarantees* to the accuracy of the verification process or any payment amounts received from my insurance company. The final indicator of coverage is the Explanation of Benefits (EOB). I am responsible for any balances not covered by the policy. Disputes regarding benefits are between the patient and insurance company. I will notify A Step Ahead Physical Therapy of any changes in my insurance.
- 4. MEDICARE AUTHORIZATION:** I certify that the information given in applying for payment under TITLE XVII of the Social Security Act is correct and requests payment of authorized benefits to be made on my behalf. I authorize A Step Ahead Physical Therapy to release to Medicare Bureau, Health Care Financing Administration or its intermediaries or its carriers, any information needed for Medicare claims, including medical information for the purpose of processing a claim for Medicare benefits. I also authorize the release of medical and related information about my treatment to the utilization and quality control peer review organization responsible for reviewing the medical care furnished.
- 5. SELF PAY DISCOUNT:** A discount is available to those who pay in full at the time of service and do not require A Step Ahead Physical Therapy to file claims with health insurance. If I choose for A Step Ahead Physical Therapy not to file claims or take any insurance information, I may file with my health insurance on my own. In this case A Step Ahead Physical Therapy will provide the proper receipts and documentation to be submitted.
- 6. MEDICAL RECORDS RELEASE:** I authorize A Step Ahead Physical Therapy to release any medical records (including any information furnished to A Step Ahead Physical Therapy or obtained by A Step Ahead Physical Therapy in connection with my treatment) to any referring physician, insurance company, health care facility or government agency requesting such information. Authorization is also given to release records to insurance carriers for the purpose of payment of claims including worker's compensation claims to both carrier and employer.

I authorize the release of any medical information to the following person(s):

- 7. SCHEDULING POLICY:** A Step Ahead Physical Therapy schedules a full hour of therapy for each patient. No other patients are scheduled with that therapist at that time. This ensures I am receiving the best care and getting the most out of my rehabilitation. I may request shorter or longer appointments if deemed appropriate by my therapist.
- 8. CANCELLATION POLICY:** A Step Ahead Physical Therapy asks that I give **24-hour prior notice for cancelling** or rescheduling appointments as a courtesy to the Therapists and to other patients trying to schedule appointments.
- 9. SELF-REFERRED/DIRECT ACCESS:** I understand that a physical therapist diagnosis is not a medical diagnosis by a physician or based on radiological images and that such services might not be covered by my health plan or insurer. Self-Referred/Direct Access allows for treatment for 21 days or **8 visits** from the initiation of a physical therapy plan of intervention. Medicare and Medicare replacement plans do not allow for physical therapy treatment without a physician referral.
I understand that if I am a self referred patient I am unable to receive dry needling without my physical therapist consulting with my physician.
- 10. STUDENT OBSERVATION:** A Step Ahead Physical Therapy has several observation internships with students within our clinic. Students are required to complete a certain number of observation hours before applying to a Physical Therapy Program. In regard to this A Step Ahead Physical Therapy has made me aware of my rights as a patient. I can request not to be observed by a student and different arrangements will be made, including a private room. My comfort is of utmost priority and every step will be taken to ensure that I feel comfortable with my treatment.
